FEC letter dated 6/15/05

Dear Ms. Jones:

This is in response to your letter on the above referenced report.

We have reviewed the above referenced report and an Addendum providing contributor information was included with the initial filing of the report.

Please be advised that the Democratic Senatorial Campaign Committee exercises "best efforts" in attempting to obtain contributor information such as full name, mailing address, occupation and employer. All the committee's solicitations and invitations request the required information. As the money is entered in the database, letters are sent to donors. As information is received, the donor database is updated and addendum reports are sent with our next FEC report. The employer/occupation information included in our FEC reports is provided directly by the contributors.

Based on our review of the referenced report it appears that the contributions received from unincorporated proprietorships and partnerships were attributed to the partners as memo entries on Schedule A.

Please be advised that all payments reported on Schedule A, supporting Line 15, received from federal candidate committee(s) for goods and services provided by this Committee, are at the usual and normal charge for the goods and services provided. With respect to Rent/Occupancy, our Committee charges candidate committee(s) the prevailing commercial rent for comparable rental space.
